Autumn on the Green Trail — Little Manatee River State Park

LEADER Julie Stocksdale 727-418-5119

WHEN Saturday, November 14, 2026 — meet at the Green Trail equestrian lot at 9:00 AM

WHERE Little Manatee River State Park, 215 Lightfoot Rd, Wimauma, FL 33598

About the Trip

The Green Trail at Little Manatee River State Park passes through sandy uplands, pine flatwoods, and several other habitats along the way. Trip leader Julie Stocksdale will point out the features that let both plants and animals thrive in each one.

There should still be fall wildflowers in bloom, but everybody is getting ready to rest for the winter. As the plants pull back, though, the birds are getting more active — our winter residents have joined the year-round flocks, and we'll be identifying them by both sight and sound.

The trip is free, and everyone is welcome to attend — bring the kids too.

Good to Know Before You Go

- Park entry fee applies: $4 for 1 person in a car, $5 for 2–8 people. The hike itself is free.
- Meet at the Green Trail equestrian parking lot.
- Park website: floridastateparks.org/little-manatee-river-state-park
